Providence Care is Southeastern Ontario's leading provider of specialized care in aging, mental health and rehabilitation. Continuing the legacy of our Founders, the Sisters of Providence of St. Vincent de Paul, Providence Care consists of Providence Care Hospital and Providence Manor long-term care home, as well as community sites across the region. Providence Care is governed by a volunteer Board of Directors and sponsored by the Catholic Health Sponsors of Ontario. Providence Care is more than healthcare; we promote independence, enhance quality of life and redefine traditional healthcare through partnerships, innovation and research

Kingston Health Sciences Centre is southeastern Ontario's complex, acute and specialty care, research and teaching hospital. Consisting of our Hotel Dieu site and Kingston General site, as well as the Cancer Centre of Southeastern Ontario and our research institute, we care for more than 500,000 patients and their families from across our region. As one of the region's largest employers, we are home to nearly 5,000 staff, more than 2,000 health-care learners and 1,000 volunteers who are committed to partnering with patients and families to ensure that we continually provide high quality, compassionate care.

Kingston Ontario: History and innovation thrive in our dynamic city located along the beautiful shores of Lake Ontario, an easy drive from Toronto, Ottawa and Montreal, in the heart of eastern Ontario. With a stable and diversified economy that includes global corporations, innovative startups and all levels of government, Kingston's high quality of life offers access to world-class education and research institutions, advanced healthcare facilities, affordable living and vibrant entertainment.
